Ben - cofacilitator: It is our collective field guide

-----  
Ben - cofacilitator: We are just recapping the slides now

-----  
Scott Shelhart: Can Rodd's screen be sent to the white board?

-----  
Andy: Hey Ben - where will we find the presentation once done?

-----  
SueH: My slide is in the last chapter

-----  
Me: Rodd would have to desktop share in Elluminate

-----  
Ben - cofacilitator: I'll have it on my site: [benhazard.com](http://benhazard.com)

Colin Jagoe: I saw that, mines'a window, but I thought it flowed well, that's why I put it there.

-----  
SueH: Does anyone know how to make the access to a googledoc so wide open? I'd love to try this with math teachers.

-----  
SueH: I see now that I look closer that it's a window

-----  
Colin Jagoe: Sue, you can just make your doc so everyone can edit.
